

Certified Grantwriting Assistance

Are you struggling with grant writing, locating funding sources, or negotiating for funds? Perhaps we can help.

The United Methodist Foundation of Louisiana has sponsored several lay people and clergy in our state for an extensive grantsmanship training and certification program. This program, led by The Grantsmanship Center, offered expert instruction, taking the attendee step-by-step through all the stages of planning programs, locating funding sources and writing grant proposals.

Those clergy and lay persons who attended the course through the Foundation's sponsorship are willing to help. Below are the names, cities, phone numbers and e-mail addresses for your reference:
