

Put your **money to work**
to support your church and
still benefit you!

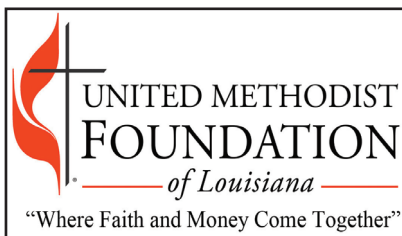

A charitable gift annuity allows Virginia to give back to the church where she met her husband, sang and taught in the choir, enjoyed many friendships and deepened her faith.

The gift annuity provided an income tax deduction when the gift was made and gives Virginia a fixed rate of income for life, at attractive rates she could not find elsewhere.

Most of all, she has created a memorial to the music department of her church, supporting it forever.

Use the new gift annuity rate increase to put your money to work for your favorite ministry today!

Virginia Worley of First United Methodist Church, Baton Rouge, loved the feeling she got from giving. "It thrills my soul to think that I'm able to do this," she said.
